Entries may be submitted individually or as a team. If submitted individually, each player MUST list her partner's name and team acceptance will be determined when both individual applications have been received and matched up by the Entry Director.

Entries will be accepted as they arrive at the Entry Director's email or postal address until January 22. Following that date, the balance of the 56-team field will be made up of the lowest combined handicap indices of those submitting entry applications. Notice of acceptance to all teams will be made on or before 5:00 P.M. EDT, March 18, 2012. If there is a tie in the combined handicap index for the 56th team, the earliest date of entry will determine the team to be accepted. Entries not accepted will be placed on standby in the order of total combined handicap indices and vacancies will be filled in that order. Late entries will be accepted and either added to the standby list or entered in the championship if the field is not full.

A player may substitute a partner at any time prior to April 24, 2012, provided the substituted player meets all eligibility requirements. Accepted entries may receive a refund of fees if cancellations are made prior to April 5, 2012. After this date, refunds will only be made for injury or illness that has been certified by a doctor's written report and which has been approved for refund by the Board. A \$25 service charge will be deducted from each player's refund.

CHAMPIONSHIP FORMAT: Format will be 54-hole four-ball stroke play (Rule 31) in which two competitors play as partners, each playing her own ball. The lower score of the partners is the score for the hole. Each day will consist of an 18 hole round. All teams will qualify for flights based on their 36 hole total score. The committee will determine the number of teams per flight after qualifying rounds.
