A Tax-Exempt Nonprofit Organization

Media Release

FOR IMMEDIATE RELEASE

January, 2012

FYI...

Custis Wright has been a fixture on the board of the WTNGA for many years. She made a decision a short time ago to retire from the board and we will miss her wonderful smile and sense of humor as well as her dedication to the TRANS.

Custis has been named an Honorary member of the TRANS.

We wish her well in her retirement...and we were just informed that she recently shot her age (87) on the golf course in Austin, Texas. BRAVO!!!
