A note from Judy:

YAHOO It's Official

I just received word that I am the new LEHIGH University Head Women's Golf Coach effective immediately. Of course, I am very excited to work with this team. I am sad to leave my team in Florida but know that we made excellent progress this year and that they are in good hands.

It is so exciting to think that it was almost on the exact anniversary for TITLE IX which has done so much for collegiate women's sports, that I heard this great news. To think 40 years ago there were only some 3,000 women collegiate athletes and now (according to the golf channel) there are now 3,000,000 athletes.

I am very excited to be part of the LEHIGH University Division I athletic program and looking forward to the day that my team will compete in the TRANS.

Coach Judy Dwyer :))
