TRANS Director Marcella Rose was presented the distinguished Bernice Edlund Award on September 20, 2012 by the Missouri Women's Golf Association (MWGA). The Bernice Edlund Award is presented annually to an MWGA member who has promoted the aims of the association and set an ideal standard of conduct by her devotion to golf, demeanor on the golf course, strict observance of the rules and etiquette of the game and demonstrated a high degree of sportsmanship. Without question, this year's Bernice Edlund Award recipient has demonstrated the qualities and embodies the true spirit of this award.

A native St. Louisan, Marcella has excelled in sports, not just golf. She has played, taught, officiated and witnessed countless sport games such as volleyball, golf, basketball...name it and she has done it. As a teacher, she coached many a team, teaching not only the game but also the value of sportsmanship and devotion to the game being played.

Here are a few of her golf achievements:
