WOMENS TRANS NATIONAL GOLF ASSOCIATION
The Members Club at Woodcreek, Elgin, South Carolina

84TH Amateur Stroke Play Championship got underway today with 93 players from the United States, Argentina, Brazil, Germany and Mexico. It is the second time for The Members Club at Woodcreek, Elgin, SC, to host this event. Breanna Elliott, Australia, was the champion in 2012. The current US Girls' Junior Champion, Princess Mary Superal, Philippines, was runner-up.

There will be a new name added to the Trans List of Champions as the field does not include a former champion.

Rachel Moore from Lexington, SC, got off on a great start with a hole-in-one on the 194 yard, par-3 twelfth hole. Moore is an All-Conference Academic Team Member at Erskine College.
