*A Tax-Exempt Nonprofit Organization*

The Trans is very proud of the ladies that serve the WTNGA. We are aware of two that share a distinguished honor along with their husbands.

## 1998

R. E. "Buffy" and Alice Mayerstein are members of the Indiana Golf Hall of Fame.

Alice has served the USGA as a committee member and the Women's Trans National Golf Association as president. She received the IGA

Clifford Wagoner Award in 1986 and from 1975 to 1985 was the director of operations for the Indiana Junior Golf Association.

Buffy has served in many official roles for Indiana golf. He has been president of the Indiana Golf Association, an IGA director, an Indiana Golf Foundation director and the executive director for the Indiana Junior Golf Association. He also received the Clifford Wagoner Award in 1986.

## 1993

Wilma Gilliland was inducted into the Nebraska Golf Hall of Fame.

## 2014

Bruce Gilliland was inducted into the Nebraska Golf Hall of Fame.

Bruce's son Steven and his wife Wilma accepted the honor on behalf of their father and husband Bruce Gilliland into the Nebraska Golf Hall of Fame held at the

Country Club of Lincoln. In the back ground on a screen was the picture of Bruce as he relaxed by sitting on a memorial stone at the Four Winds Golf Course that also recognized the many contributions to the game of golf in Kimball. Bruce did not make the trip as he was not feeling up to it at age 97 and after battling cancer the past few years.

It would take forever to list the many achievements of Wilma. She has served for many years on local, state, national and international golf committees, boards...you name it and she has been there and done that. She continues to serve the WTNGA and her contribution as the editor of the Women's Trans National Golf Association Annual is a labor of love.
